RE: Addendum #1 to Bid 24-032 Elgin Sports Complex Expansion
DATE: April 19, 2024

The following amends the above referenced Bid.

- 1) On the detail for the Post and Chain, it calls out Stainless Steel Chain 2" Links Heavy Duty. Please let us know if the 2" is the width and length of the link. What thickness are you thinking for Heavy Duty? ***Galvanized Steel Chain, 2" link length, Heavy Duty – working load limits (lbs.) +1500.***
- 2) On the chain link fence, the details on the plans call out Galvanized but the specs call out Vinyl Coated? Please advise if you are looking for a fully Galvanized system or Vinyl Coated System. ***Vinyl Coated System.***
- 3) Are there Union Labor Requirements for the Elgin Sports Complex project? ***You do have to have an apprenticeship program and of course pay prevailing wages.***
